Name: Darlene Grotzinger (overseen By Jim Moss President/COO)  
dgrotzinger@5rltd.com Phone #: 715-532-2050

e-mail address:

9b. Please describe your Takeback program.

5R Processors and Hisense USA host recycling events through-out Michigan. We have permanent drop off areas at our Michigan location and we also work with collectors in the State of Michigan who collect residential material at their location or at events. We also process material we collect and assist other collectors with processing their material also.

9c. Are appropriate devices covered with your Takeback program? Check appropriate box:

If you are a manufacturer of computers, do you accept all brands?

Yes

No

N/A

If you are a manufacturer of video display devices, do you accept all brands?

Yes

No

N/A

9d. Is your Takeback program free to consumers?

Yes

No

9e. Is your Takeback program reasonably convenient and available to and otherwise designed to meet the needs of consumers in this state?

Yes

No

9f. What is the number of devices a consumer may deliver to your program each day? Unlimited  #

10. What information do you provide to consumers on how and where to return covered electronic devices that are labeled with your name or brand label?

\*Hisense website with a link to our website with events/mailback program <http://www.hisense-usa.com/about/recycling.asp>

\*5R's website [www.5R Processors.com](http://www.5R Processors.com) (in left on navigation click on electronics recycling recycling and then recycling solutions and find your state)

\*5R's website [www.5R Processors.com](http://www.5R Processors.com) (in left on navigation click on electronics recycling recycling solutions and Take Back and Mailback; find Michigan Mailback)

11. How do you provide information to consumers on how and where to return covered electronic devices?

\*Hisense USA Website- <http://www.hisense-usa.com/about/recycling.asp>

\*5R Processors Website [www.5rprocessors.com](http://www.5rprocessors.com)

\*When we host an electronics recycling event-we advertise with newspaper/radio/flyers and posters. We do these events with schools, employee drives, businesses, etc..

\*We work with Michigan based Collectors who collect residential material; they advertise the events on their website for the public to know about their event or permanent drop off area. Along with promotional advertising.

**TAKEBACK PROGRAM REPORT** (include this information beginning with the first registration submitted after the implementation of the Takeback program)

12a. The number of collection and/or recycling locations (permanent or intermittent) in the state of Michigan. Permanent sites we have:

7

Intermittent Sites (events etc.): 38 events

12b. List the weight of the covered electronic devices received by the Takeback program from consumers during the prior year:

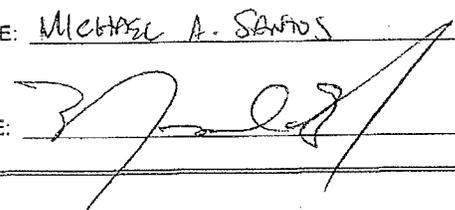

0 Tons by mailback	Tons thru collection locations	Tons through collection days	Tons through Retailers
--------------------	--------------------------------	------------------------------	------------------------

13. The processes and methods used to recycle or reuse the covered electronic devices received from consumers:

5R Processors is R2: 2008 and ISO 14001:2004. we follow these standards and we process all equipment in house. We disassemble all equipment by hand (5R Employee's) including the monitors and TVs, and break them down into their commodities once again for reuse. We do try to test some better equipment to see if it can be reused, and if so we wipe the hard drives and reuse these items.

I, the undersigned registrant, swear and affirm, UNDER PENALTY OF LAW, that the statements contained herein are true and correct. I certify under penalty of law that the information contained on this form, to the best of my knowledge and belief, is true, accurate, and complete. I am aware that there are significant penalties for submitting false information.
